Characters of Silent Hill 3

Heather Mason

Heather is the adopted daughter of the main protagonist of Silent Hill 1. She is depicted as a normal teenager; like any teenager, she has a sharp tongue and likes to joke around. Furthermore, like all other teenagers, she is struggling to find her identity in the world. Overall, her character has an empathic view of the world and demands justice from the Cult, The Order, who needs her to summon God to bring paradise to the world.
